Madam/Sir

In inviting a reference to the letter on the subject cited above, I am directed to say that a dedicated CM-SA Web Portal on a real time end to end online with digital data base has been developed by OCAC through vendor and already functional since 22.02.2024. This Portal is in the MIS form exclusively for review purpose.

But, it is observed that despite of multiple reminders and approach, the portal is not updated with usual pace. Hence, the portal is not sacrosanct without financial integration of the fund flow module (iFMS) as the iFMS integration shall reflect the actual expenditure incurred under the scheme vis-a-vis real time execution of Project. Accordingly, necessary approval has been accorded by the Govt. in P & C Dept. for modification and improvements to the existing CM-SA Web Portal in compliance with Government requirements and the revised CM-SA Guidelines, 2025 to enhance public accessibility which has been integrated with iFMS, PPMS for automated work and fund flow. Other procedures like District project sanction order, project approval, work orders, supervision, monitoring, Actual expenditure, three stages Geo-tagged photos, UC Generations etc. will be carried out through this web portal within the stipulated time, and the progress of projects can be tracked at every level. Data relating to CM-SA 2019-20 to 2024-25 have been migrated to the **re-vamped Portal**. This portal is already live in the same domain name [https:// cmsa.odisha.gov.in](https://cmsa.odisha.gov.in).

Therefore, it is requested to ensure execution of projects (District Sanction Order to vendor payment etc) out of CM-SA, 2025-26 funds and onwards through this portal, only.

Your sincerely,

Additional Secretary to Govt.
