Sub:- **Execution of Block level projects sanctioned under CM-SA, 2025-26 & onwards**

Ref: **This Deptt. Lt. No. 1359 dtd. 28.01.2026 addressed to all Deputy Directors (P&S),
DPMUs**

Madam/Sir,

In inviting a reference to the subject cited above, I am to say that it has already been directed to execute the projects sanctioned under CM-SA, 2025-26 fund and onwards through the dedicated CM-SA portal, only.

Procedures like District project sanction order, A/A & T/S, project approval, work orders, supervision, monitoring, Actual expenditure, three stages Geo-tagged photos, UC Generations etc. will be carried out through this Web Portal within time, and the progress of projects can be tracked at every level. The portal is already integrated with PPMS for execution of Block level projects where the sanctioned projects may be routed through PPMS (**for execution by Block**) and desired information like Case record, Work Order, Geo-tagged Photos, Expenditure, UCs shall be fetched in the portal by data syncing. **Besides, the execution through PPMS remains 'Optional'.**

Therefore, you are requested to insist appropriately to officials of Panchayat Samities (Executing Agency) to execute the CM-SA projects as detailed above.

Yours faithfully,

Additional Secretary to Govt.
